
Call Of Duty Black Ops 2 Multiplayer Offline VERIFIED Crackl

Dear all, this is a simple question. You know, when you start a game of COD Black Ops 2 and you leave the game while playing solo, but when you come back to it, you can't play because you need an internet connection to play online. Is there any way you can play offline? It makes no sense for me to have to upload

a file I will never play on the internet. I know in Black Ops 1 you can play with a friend in offline mode. I was wondering if that was still the case in Black Ops 2. I know in Black Ops 1 you can play with a friend in offline mode. I was wondering if that was still the case in Black Ops 2. Reply Hi there! I am testing how to play

offline with keyboard (no mouse). I can confirm that you can play with a friend (online) even if you're offline. Reply I can't figure out how to play offline on PC.
