A Story of Your Own Initiation into the Elden Ring

You are seen as an in thing in Aria. Ashard, a young man from Aria's northern city of Maldornn, saved princess Arielle, the youngest daughter of the late king of Aria. But before him, there was Grandfather, king Valellis. The king, a determined tyrant in the past, became obsessed with Ashard's friend, helping him become a prince of the royal family. And it is through this influence that Ashard, alongside with his friend, Aiskla, made his way to Maldornn, with an aim to wipe out the blood stain from Ariella's family history. The royal assassination was only a first step for the hideous plan. Upon arrival at the royal mansion in Maldornn, Ashard, together with other people (such as Nordina), succeeded in assassinating the king and the people on his side, while a traitor, the Queen Wylla. And when you confronted Queen Wylla, she brutally murdered all of us together. Even though no one was able to save Ashard's life, he managed to flee from Maldornn as soon as possible.

Players can choose to be a captain of a war party, or a lone wolf.

We hope you will enjoy the game, and look forward to you joining us!
